## Chapter 1 by Story Wars

My friends and I were regular kids, just going to get a smoothie from the smoothie shop. Until we were stopped by a middle-aged woman.

"Lily, Isaac, Natalie, Jackson, Liam, follow." The woman said.

I was so creeped out now, this girl knew our names! But we followed her anyway.

The woman sat us down in a small room behind the smoothie shop. She gave us a small model of the earth.

"You see this?" She asked.

We all nodded.

"Do you know what it is?" She asked.

"Well, yeah! It's the earth!" Shouted Jackson.

Natalie shushed him.

"Yes, it is the earth!" The woman said.

We all looked at her like she was insane, we were kids.

"Who the heck are you!?" I asked loudly.

The woman looked at us, he hesitated, "I am Gaia, Goddess of the Earth."

Our jaws dropped, this woman was a Goddess!

"Yeah right! Prove it!" Liam shouted.

Gaia looked at the roof and a vine all of a sudden sprouted from the roof and covered the walls.

"Ok! I believe you!" Liam said.

Gaia turned back to us. "You need to save the earth!"

"What's wrong with it?" I ask.

"It is being killed, by you humans!" Gaia shouted angrily. "You need to talk to the humans and stop them from killing the earth!"

"Why can't you do it?" Isaac asked.

"Because I am a Goddess! Goddess don't usually show their faces! I can show myself to very few humans. You mustn't tell anyone you talked to me!" Gaia ordered.

We nodded.

"Why do you want US to save earth? Why not someone else?" I ask.

"Because you are good to the earth! You are natural! You are all strong!" Gaia told us.

I felt stronger when she said that.

"Now please! Save the earth! I am the earth! They are killing me! Help! Stop them!" Gaia shouted

We leave the room and look at each other. "The earth is in our hands, and if Gaia dies, it is our fault!"
